

About your therapist:

Born in the rural town of Timboon, Australia, Renee has been living in Castroville Texas since 2005. In 2003, she graduated from The Australian College of Massage and Natural Therapies, completing the 600 hour program with honors.

Her studies and training included:

Anatomy & Physiology

Surface Anatomy

Swedish Massage

Deep Tissue Massage

Sports Massage

Oriental Massage

Reflexology

Aromatherapy

Professional Standards

Business Development

Occupational Health and Safety

In 2005, she transferred her hours to Texas and completed an additional 126 hours at Neuromuscular Concepts School of Massage in San Antonio. After passing State board exams, she was fully licensed by the Texas Department of Health Massage Therapy to practice Massage Therapy.

Renee regularly attends continuing education courses and learns new modalities to enhance her practice and improve the health and well-being of her clients. Since licensure, she has completed another 60 hours including; Spa Therapies, Releasing the Rotator Cuff, Hot Stone Massage Chair/Acupressure Massage, and Secrets to Deep Tissue.
